China Services Group – Tax & Business Advisory

Work with a talented and trusted team of experienced Advisors to offer services to Chinese enterprises in New Zealand, from multinationals to local SMEs. The work includes the preparation of financial statements and tax returns, tax planning, technical accounting and tax advice, management accounting, tax structuring and virtual CFO.

Responsibilities

- Prepare management reports, financial statements, tax returns, and give technical advice regarding financial reporting and tax compliance. Interpret, analyse and research technical tax issues
- Work directly with clients in both English and Chinese to support their finance function and their tax obligations
- Develop skills in the use and application of financial systems such as Xero and Taxlab
- Collaborate with internal Deloitte teams such as Corporate Finance and Audit & Assurance to ensure client deliveries are timely and meticulous

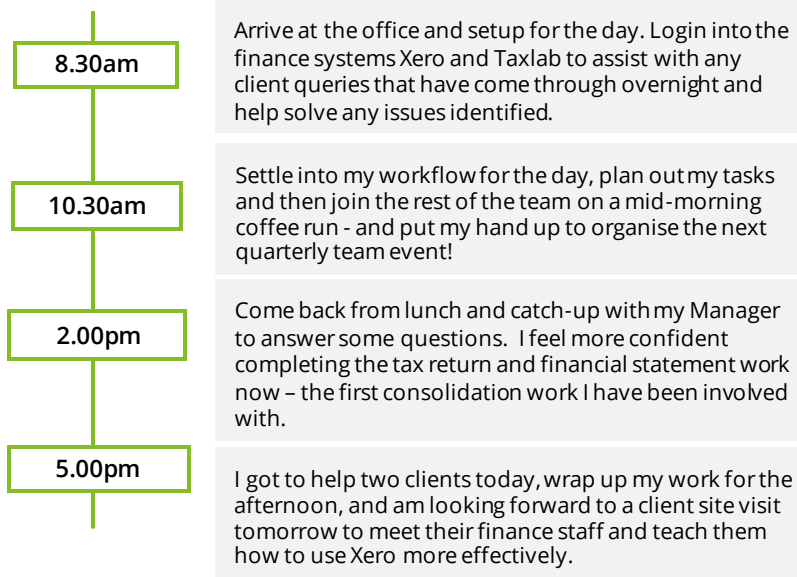

Team

The China Services Group (CSG) is a well-established team within the Tax & Business Advisory service offering consisting of professionals who are bilingual in English and Chinese language. Led by expert Partners, the China Services Group work with a diverse portfolio of clients ranging from China headquartered organisations who have set up subsidiaries in New Zealand, to local businesses owned by Chinese immigrants and high net worth individuals. The CSG team are located in Albany and Auckland Deloitte offices and are a sub-section of our Tax & Business Advisory teams who work to deliver exceptional client service.

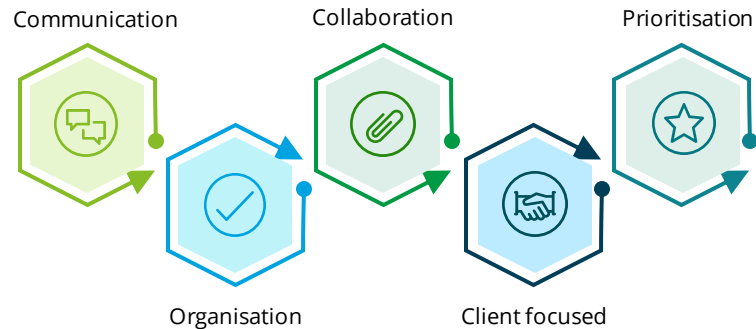

How we invest in you

- An initial induction plan to learn about the business and clients, along with ongoing support and mentorship
- Personalised Buddy and Coach to show you the ropes and guide your career
- Access to Deloitte's Tax Skills Diploma course, as well as monthly technical trainings to keep our teams up to date
- Deloitte pay for ongoing education/study days

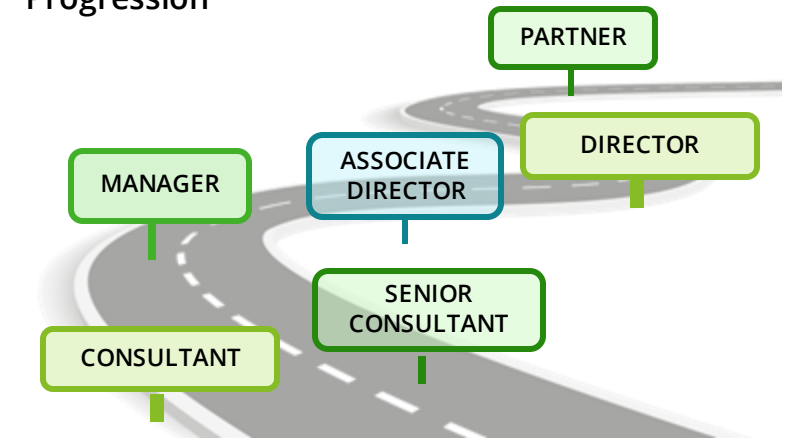

Day in the Life

Competencies

Progression

Experience	No previous experience is required. Part-time positions or internships in accounting, finance, customer-service, retail and hospitality are beneficial, but not essential.
Education and Certifications	Currently completing any degree and have a passion for business. A Commerce degree, including Accounting and/or Finance majors, can be advantageous, but is not essential. Eligibility to work towards Chartered Accountancy or CPA is common, but this is not a requirement if you are eager, willing and able to learn business advisory skills.
Technical Capabilities	An analytical mind, detail-oriented, with a passion for accounting. Experience with the preparation of financial statements is preferred. Fluency in Chinese would be an advantage however not essential.
Behavioural Anchors	An ambitious, hard-worker who has great interpersonal and communication skills. Emotional intelligence to navigate between clients and competing priorities.
